

# Ensuring the Safety of Our Patients Our Staff, and Our Doctors

## Patient Quick Reference Guide

<p><b>Limiting Exams Per Hour</b></p> <p>Only 2 patients per hour will be allowed in order to provide a thorough cleaning between exams.</p> <p>Ask about our social distance examination- we are able to get a high definition wide angle look into your eyes without the need to dilate</p>	<p><b>Limiting the Number of Patients</b></p> <p>We will be actively limiting the number of patients and exams to adhere to CDC guidelines. Patients should not be accompanied to exam unless necessary for children and elderly.</p>
<p><b>Before you Arrive</b></p> <ol style="list-style-type: none"><li>1. Fill out Patient Intake Forms before you arrive.</li><li>2. Call to notify arrival from your car.</li><li>3. Come alone unless necessary to have help.</li><li>4. Bring a personal face mask.</li><li>5. Leave unnecessary items at home.</li><li>6. Reschedule if not feeling well.</li></ol>	<p><b>When You Arrive</b></p> <p>Please call us when you arrive to the office. You may need to wait in your car as we clean between appointments . We will utilize a contactless thermometer to take the temperature of everyone who enters and ask anyone with a fever to reschedule.</p>
<p><b>Personal Protective Equipment and Sanitizers</b></p> <p>Doctors and associates will wear masks and gloves. We ask that patients bring their own facemasks for personal protection. Gloves and Sanitizer will be available. Sneeze guards will be placed in high contact areas.</p>	<p><b>Cleaning Equipment and Surfaces</b></p> <p>All equipment and surfaces will be cleaned before each exam and during pretesting. High contact surfaces such as handles and countertops will be cleaned and sanitized throughout the day.</p>
<p><b>Social Distancing</b></p> <p>We ask associates and patients to observe 6 feet of social distancing in accordance with CDC recommendations. Please keep in mind you may need to wait in your car while we adhere to these standards and allow us to disinfect between appointments.</p>	<p><b>Hand Hygiene</b></p> <p>Our associates will wash their hands using soap solutions for 20 seconds after every patient interaction. Gloves will be worn by all employees. Patients will be asked to wash their hands with soap solution before their examination.</p>
